

## APRIL 2017

### **NO BURNING ON SUNDAYS!!**

Please be aware that the Village Ordinances clearly state that NO BURNING is allowed in the Village on Sundays. Dried fire wood is the *only item* that can be used in recreational fire pits.

Ordinances do allow garden waste burning from April 1 through May 15, but only after 6 pm and until 6 am. DO NOT burn cardboard, foam, Styrofoam, or construction items. Please be considerate of your neighbors and refrain from burning outside of the permitted times. The Clerk's Office has received many complaints regarding burning and residents with fires on Sunday. The Dane Police Department will issue tickets to repeat offenders if reports are received.

### **SPRING CLEANING TIME**

Be sure to RECYCLE anything that can be recycled.

Recycling symbols should be found on all items that are accepted. Cardboard boxes and plastic items are usually able to be recycled. If you have large or unusual items that need to be picked up, please call Advanced Disposal at 608-251-7878. You can pay by credit card, debit card, or check over the phone and the item will be picked up on a normal trash day. A list of items and cost are printed on the back of the newsletter. Please keep this list for future reference. Be aware prices could change without notice

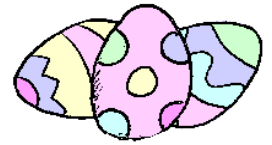

### **HAVE YOU EXPERIENCED THE SPEED SIGN?**

The Police Department has installed one of the two new lighted speed signs that reflect the current speed of vehicles coming into the village on Main Street. The new signs should help slow traffic down and remind drivers that they are entering a lower speed zone. A second sign will be placed on the west end of Main Street in the coming weeks.
