***A note from the American Legion Post 503:***

The Legion Post 503 would like to thank everyone in the village of Dane for their patriotism in flying our United States of America flag. It is a great feeling and honor

to drive around our village and see the flag being flown with respect by many homes and businesses. This is truly a tribute to the great men and women who served our country where ever they may be from or where ever they may have served.

We thank you all for what you do to support our local American Legion and we hope that you understand how much it means to live in a community that shows our country is strong and proud. We are truly grateful!!

Please note that we will have a ceremony at the Dane Legion Hall **on Thursday, June 1, 2017 at 7:00 pm** to officially retire any old or worn flags that you would want to have properly disposed of. Everyone is welcome to attend this short ceremony where the flags will be burned with respect. If you have flags that you need disposed of, but are unable to attend the ceremony, please drop them at the Village Clerk's office before My 31, 2017. Thank you!
